Comedy & Music

Why Hire Brinnon & Marks?

They've been entertaining corporate audiences nationwide since 1995!

Joe Brinnon grew up in a musical family where everyone played an instrument and sang. Over the years Joe learned to play the piano, guitar, banjo, violin, and harmonica. During college he polished his musical and theatrical skills and afterwards spent several years in Broadcast Television. Joe is now involved with Steve producing independent films and travelling with Brinnon and Marks Musical Comedy.

Steve Marks began his career performing in professional summer stock theatrical companies. During a performance, Steve was scouted and invited to audition for "Up with People." He was accepted as lead singer, dancer & musician in the international cast and performed with Bob Hope. From there he went on to make the final cut, after auditions for "Star Search." Steve has earned three national singer & songwriter awards (N.S.S.A.-best vocalist & honorable mention songwriter "With You In My Life", G.M.A. best vocalist.)

Brinnon and Marks will customize their material by writing skits and original songs to entertain and motivate your group. The end result is a high-energy, good clean comedy act that keeps people laughing from beginning to the very end. Brinnon and Marks also offers a full show band package along with comedy act if requested.
