Client Comments:

"Thank You" I had a tremendous amount of positive feedback from the staff. You have the ability to "talk the talk" as it relates to radiology.

Hutchinson Clinic.

We Loved the CEU talk. It was a much needed reminder of how we need to do our day to day practice. We learned a lot and felt "entertained".
Leona was very funny.

Medical Imaging KC.

I can't thank you enough for helping sponsor the continuing education lecture. Leona was wonderful and the staff had nothing but rave reviews for it all the way around. It was a big moral booster.

T Tanner, Alegent Hosptials

Hilarious, she had the entire Department in stitches. The motivational stories were just what we needed.

Jim Falcon – Maxwell Fire Department.

"Positive, informative, motivating, funny....."

Tammy Mc Micheal RN, NE Organization of Nurse Leaders.

Leona, I love being able to schedule you after lunch. That is the toughest times to keep group interest and participation yet you always precipitate some of the best reviews and comments from our seminars.

Connie Lyon, Radiographic Operations Consulting

Comments from Evaluation Surveys:

A good speaker and excellent topic!
Very Outgoing. She had some funny stories.
Uplifting and very effective.
Good to be reminded that I can make a difference.
Very enlightening. I really enjoyed the presentation.
Her stories were very touching.
This subject should be annual training to keep the medical field in the right frame of mind.

What is your humor IQ?
How to implement humor and laughter in the workplace.**

TAKING YOUR JOB SERIOUSLY ... AND YOURSELF LIGHTLY.

Leona Cummins

ABC 'S to DE-STRESS

OVERVIEW:

The purpose of this presentation is to give you ideas to help you live today in a way that you will want to remember it forever. Life, its true, is filled with missed deadlines, misunderstandings, fender benders and stressors.

But, it is also filled with neat stuff to be grateful for. From “A” for Attitude. To “Z” for getting enough ZZZZZZ’s.

A to Z to De-Stress.

- **Attitude to Gratitude.**
Making someone’s day can make yours.
- **Some mistakes are too much fun to only make once.**
- **Plan, Play, Patience. Don’t honk at the slow guy.**
Patience is a key element to success with people.
- **Change can be one of the worst stresses.**
Change your mind about change.
- **Learning to bend instead of breaking teaches resilience as well as humility. Learn to Love the rain.**

Stress Busters – You’ll work better, feel better, feel happier and live longer.

Leona Cummins

“Back To The Future”

OVERVIEW:

**A presentation that provides a Technology Timeline.
Timeline of Inventions that over the years have improved your
life style and your life’s work.**

- **A walk down memory lane. Do you remember when?
The products of yesterday, the technology of today, and a
look into our future.**
- **Don’t believe them – It wasn’t better in the old days.
Medical Science is moving forward at an amazing pace.
Everyday brings news of a break through, a new discovery,
a life being saved by medical science. Medical science
inventions and innovations have changed our life
expectancy and our quality of life.**
- **Radiology Technology.
The history of Radiology, from the beginning when
Roentgens mystery rays could see through flesh but not
through bone, to the world of digital. Ever changing, ever
expanding.**

**Presentation ends with a motivational message:
HIGH TECH HAS IT’S VALUE – LIFE HAS MORE.....**

Leona Cummins

Make My Day!
