Unleash Your Inner Tyrant!

You've been told how to be a better leader. Now enjoy learning how to be a terrible one. In his hilarious new book, *Unleash Your Inner Tyrant!*, Jeff Havens 'encourages' you to engage in all the worst leadership practices imaginable, including how to:

- **Create an Environment of Fear and Self-Interest!**
- **Trample Your Underlings!**
- **Outsource Blame!**
- **Resist Change!**
- **And More!**

Filled with an impressive array of studies, statistics, real-world examples and thorough examinations of some of the worst leaders in corporate America, *Unleash Your Inner Tyrant!* will help you become a better leader by showing you exactly what not to do. Because improving your leadership doesn't have to be boring.
