## **About the Tour and the Guys!**

You've heard of The Kings of Comedy, Queens of Comedy, Latin Kings of Comedy and The Blue Collar Comedy Tour...

Introducing The Musical Comedians of Comedy Tour! "A Comedy Show That Rocks!"

Three exceptional musical stand-up comedians: Michael Mack, Ron Feingold and Kier showcase an evening of music and stand-up comedy along with a closing jam session that has to be seen to be believed! All three comedians have been heard on the nationally syndicated radio program Bob and Tom and they have also been seen on national television such as Comedy Central and ABC's America's Funniest People.

Never before have three musical comedians joined forces to create such a unique show!

### **Michael Mack**

Guitarist/Comedian Michael Mack is known for having one of the best closing bits in the nation that earns him a standing ovation - EVERY SHOW!

Called "Faces of Rock", Michael utilizes music and a cast of zany characters and impressions that defies words or description.

## **Ron Feingold**

Ron Feingold showcases the "Only One Man Comedy A Cappella Show in the World!"

What makes his show special is the fact that Ron performs ALL of his own vocals including the bass, baritone, tenor, alto and soprano parts...even the drums!

## **Kier**

Kier is the tours highest ranking veteran with over 25 years as a performer!

His masterful guitar playing and rock impressions are simply dead on with guest appearances by Sting, Bruce Springsteen, Dave Mathews, John Lennon, Willie Nelson and U2!
