

Who is Philadelphia?

Philadelphia is one of the most sound actors/comedians working today. His observations & revelations about the human condition, mixed with stories from his own life, take an audience on a 200mph trip that could stop at any point along the journey.

Philly puts it all on the line, because he always works in the moment. His ability to relate to people from different walks of life has made him a favorite in the cruise ship industry, comedy clubs, & corporate events.

He's opened for stars like the late Robert Palmer, Richard Jeni, & Julio Iglesias on the West coast leg of his 2003 world tour.

Stories about his mother, kids & marriage has made him a favorite wherever he plays. With TV appearances in commercials & as a standup or a dramatic & comedic actor, Philadelphia is the "Full Package of Entertainment"!
